TO WHOM IT MAY CONCERN

This is to certify that **Mr. Francis Chinedu Nwabude** started his Industrial Attachment program in our **ExxonMobil Information Technology Department** on October 01, 2009 and successfully completed the program on March 31, 2010.

During the period of his Industrial Attachment, he was dedicated, hardworking and efficient and I have no doubt in recommending him to any higher institution of learning for continuation of studies.

Very truly yours,

Balarabe A. Aliyu
Manager, Field Human Resources
