

Mgbeafulu Michael Onyebuchi

Address: 12b Akwaka Street, Rumuodumaya, Port Harcourt, Rivers State, Nigeria.

Tel No: 08063835451 | **Email:** mikkymgb@gmail.com | **Date of Birth:** 3RD March 1989

PERSONAL STATEMENT

I am a hardworking, innovative and adaptable Mechanical and Production Engineering graduate who has been trained and certified as a competent hardware instrumentation technician in oil and gas operation. I'm presently seeking employment that will make best use of my skills and allow me to develop further. I work confidently and effectively independently and as a team.

KEY SKILLS

Technical Skills

- Calibration of Pressure Recorder, Gauges and Pressure Safety Valve.
- Hydro Testing Of Vales and Well Head Maintenance.
- Production Engineering and Well Testing.
- Instrumentation and Control Operation.
- Safety Risk Assessment and Control.
- Proficient in the use of Microsoft Productivity tools

Certificates

- NYSC discharge certificate.
- Norvertis Engineering services Ltd Instrumentation Certificate of Competency.
- Health Safety and Environment Level 1, 2 and 3 British International Safety Organization Certificate.

Memberships

- Society of petroleum engineers (SPE)
-

EDUCATION

- Enugu State University of Science and Technology (2016)
Bachelor of Engineering in Mechanical and Production Engineering (second class)
 - Atlantic Heralds High School Port Harcourt, Rivers State (2007)
West African Senior Secondary School Certificate
 - Federal Government College Port Harcourt, Rivers State (2004)
West African Junior Secondary School Certificate
 - School III Bori Ogoni, Rivers State (2001)
First School Leaving Certificate
-
