- 2011 – 2016: Ableseaman – Pacific Bora (Drilling Ship), Agbami Field
- 2008 – 2010: Efficient Deckhand – SEDCO Energy Transocean RIG. (Semi Submersible), Agbami Field
- 2006 – 2008: Roustabout – Trident 4 (Jack-up Rig), Escravos

TRAINING CERTIFICATES

ABLESEAMAN

- (a). Basic Offshore Safety Induction Escape Training (BOSIET)
- (b). Mandatories (STCW)
 - (i). Personal Safety and Social Responsibilities
 - (ii). Personal Survival Techniques
 - (iii). Elementary First Aid
 - (iv). Fire Prevention and Fire Fighting

- (c) Navigational Watch Certificate (COC)
- ❖ Basic Training for Sea farers
- ❖ Efficient Deck hand
- ❖ Proficiency in survival craft, rescue boats. (FRC and survival crafts)
- ❖ Advanced fire fighting
- ❖ Gas tester legibility
- ❖ Gas monitoring / Gas detection Orientation
- ❖ Helideck Team Member
- ❖ Rigging and Slinging
- ❖ Check 6 training
- ❖ Permit to work training (PTW)
- ❖ Fall Protection awareness
- ❖ Hearing protection and conservation
- ❖ Drop object awareness
- ❖ Rig pass training
- ❖ Confine space entry
- ❖ Fire watch training
- ❖ Hazardous material training awareness
- ❖ International ship and port security (ISPS) training
- ❖ International safety management ISM
- ❖ Basic first Aid and Blood pathogen
- ❖ Heat stress training
- ❖ Hazcom
- ❖ Stcw ISPS security designated security
- ❖ Hazard Identification / Hazard Hunt training
- ❖ SWA/SWO training awareness
- ❖ PACD Familiarization training
- ❖ IT Security Awareness
- ❖ Anti-Bribery compliance (English)
- ❖ Extreme Temperature

A. DUTIES AND RESPONSIBILITIES OF ABLE SEAMAN

- Navigational watch (Watch keeping)
- Stow away
- Work directly with chief mate /Bosun
- Daily fresh water (FW) and drill water (DW)tanks sounding
- Weekly WBT and HBT Tanks sounding
- Scupper plugs routine checks and maintenance
- Bulk storage cement tanks clearing
- Fire hoses inspection and maintenance
- Scopeb inspections and updating
- Fire fighting gears inspections and maintenance
- Fire extinguishers inspections and updating
- Life boats inspections and maintenance/lowering
- FRC inspections and maintenance

- Life rafts inspections and updating
