### What are your career aspirations?

#### Comments

**Izoma Matthew (Self):**

I wil like to become a rig mechanic

**Bartosz Pawlica (Offshore Manager):**

It is very difficult to get a chance for this kind of change of career path, especially during such massive downturn that hit our industry in recent years. It is not impossible but not just yet and it would require a lot of additional specific training.

### How do you see your development over the next 12 months?

#### Comments

**Izoma Matthew (Self):**

I have developed so well on my present position that i do my job accurate one time, I also improved very well on safety aspect of the job.

**Bartosz Pawlica (Offshore Manager):**

There is always room for improvement. Keep up the good work and current standards and just be a little more proactive.

### In what way does your role support Seadrill's key objectives?

#### Comments

**Izoma Matthew (Self):**

By following all Seadrill policy and procedure

**Bartosz Pawlica (Offshore Manager):**

Stay focused on the job, continue following Company procedures and polices. Don't get complacent.

### How can I, as your Supervisor, support your efforts in your current role?

#### Comments

**Izoma Matthew (Self):**

You as my Supervisor could support me by approve some training which are related to my current role.

**Bartosz Pawlica (Offshore Manager):**

I will do my best to help you out whenever you feel like it. I am approachable, so do not be afraid to ask questions or ask for help.
