To Whom It May Concern:

This letter is to confirm Ituru Onome Peter's membership in the American Association of Drilling Engineers (AADE) Houston Chapter. The AADE is a national non-profit scientific organization that is dedicated to the dissemination of practical drilling technology to those employed or interested in the drilling industry.

The American Association of Drilling Engineers is a professional society which sponsors technical speakers, projects, and the presentation of papers dealing with drilling practices and technology. It is promoting professionalism and respect within the drilling industry, the community, and the environment in which it co-exists.

The AADE is comprised of professional members, such as Onome, who represent the very top of their professions. Onome is a member in the AADE and is in good standing.

Should you have any questions, or require any additional information, please do not hesitate to contact the undersigned.

Sincerely,

Carolyn Berry  
Business Administrator  
American Association of Drilling Engineers
